CBF Easter Offering For National Missions

Through the end of April, we will be collecting contributions for National Missions, with a goal of $3000. UBC is again designating our Easter offering to the work of Paula Settle, CBF Associate in Nada, Kentucky. This area is one of our nation's 20 "pockets of poverty" identified by the Cooperative Baptist Fellowship over a decade ago.

Paula has identified several areas of need that reflect the positive cultural shift taking place in Nada. Three years ago Charlene Helton became the first Nada youth to attend college. This fall there will be 5 college students from the Nada area. All of these students are working part-time jobs, but Paula has suggested they all could use help with the cost of books, clothes and other supplies.

While our offering for this year is focused on helping the college students, we also want to give Paula the flexibility to continue to help with critical community needs. Please give a generous gift to our CBF Easter Offering for National Missions.

For more information about Paula Settle's work through the Cooperative Baptist Fellowship, go to http://www.thefellowship.info/Missions/Field-personnel/Settle.

Thank You

Thank you all so much for the many cards, sweet notes, outstanding food, and (most importantly) the HUGS given me in response to my mama's passing. There are no words adequate to express my heartfelt appreciation.
