## Adopt-a-Student Ministry

Our new “Adopt-a-Student” Ministry is a fun outreach program designed to give college students local Christian support while they are living in Charlottesville. University students are “adopted” by members of the congregation with the understanding that the “adoptive families” are there for the students as a “home-away-from-home.” Students are free to have as much or as little interaction with their adoptive families as they wish – it is up to the students to decide what is most helpful for them.

Adoptive families can get together with their students for various activities such as taking them out to lunch or having them over for a home cooked meal, send cards on special occasions, prepare a “care package,” etc.

If you are a **church member** who would like to sign up to adopt a student or a **student** who would like to be adopted, please contact Michael Cheuk. A form will soon be available to fill out to help us match members of the congregation with students.

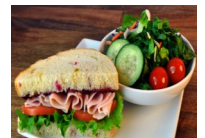

## Jubilate Needs Your Help!

Beginning September 8, Jubilate will have supper (6:00-6:30) and rehearsal at church on Sunday nights. We would like to have **3 teams of 2 people each** to prepare a light supper on a rotating basis. We would also like to have **one Sunday Bible Study Class each month** to prepare a meal. Preparations for the Jubilate meal would be coordinated with the Youth meal volunteers.

The schedule for Jubilate is planned for September through November and January through April.

**This is a great opportunity to support Jubilate and to get to know the members better.**

Contact Alba Beasley for more information or to sign up.
