## A Word from Michael

Last Sunday, I met with our Church Council and Deacons, and together we discussed the job descriptions of a “Ministry Resident” (a two-year position for a seminary-trained graduate to explore and gain experience in congregational ministry) and a “Director of Creative Arts” (a part-time position for a musician with theological training that can assist in the musical, audio-visual and participatory aspects of our creative service). I also presented an initial description of the creative worship service that I’ve been proposing. Those who attended the meeting asked good questions and provided valuable input. One point that was made repeatedly was the

importance of providing more information to the congregation and garnering wide support for this venture. Our leadership is working on revising the job descriptions, and they will be distributed in time for a church-wide town hall meeting in August. Stay tuned for more details later.

I will be on vacation from July 14-27. While I’m away, please welcome our guest preachers, Rev. Elizabeth Dowdy on July 20 and Rev. Lynn Litchfield on July 27.

~Blessings, *Michael*

### Classic Hymns of our Faith

We will be singing some of the classic hymns of our faith in the morning worship services in July and August. I have been collecting favorites from classes and individuals for several months, and we will feature as many of them as we can during the worship services. Do you have a favorite hymn? Let me know so that I can put them on my list.

— *Alba*

**Our guest preacher on Sunday, July 20, will be Rev. Elizabeth Rickert Dowdy.** She is a graduate of the University of Richmond and the Candler School of Theology, Emory University. She is currently the Conference Planning Assistant for the Hymn Society in the United States and Canada. She and her family live in Richmond, Virginia.

We welcome Rev. Dowdy to the pulpit on July 20.

## What Are Our Youth Up To?

Our youth have started a new tradition. Each of them has taken one of the ceiling tiles in the youth room and personalized it with their name and a Bible verse that has special meaning to them.

By allowing our youth to personalize the ceiling tiles they get to say, “Look.

That’s me.” There will always be a piece of them that will remain here at UBC, a marker of their time and a tangible connection to this part of their lives that will forever connect them to this place, and by extension, to the people that are here.

I would like to encourage everyone to visit Room 305 to see this project. Come see what God is doing, and come see how his word is speaking to the hearts and minds of our youth.

Youth Ministry Coordinator
