CHARLOTTESVILLE, VA

A Word from Michael

It is good to be back at UBC after my two-week vacation. I spent the time doing a lot of reading, watching a few movies, and taking some naps. Our family also spent time relaxing at the beach. It was wonderful to take time off and know that the church is in the good hands of Alba, Bob, and church lay leadership. Many thanks also go to Elizabeth Rickert Dowdy and Lynn Litchfield for filling the pulpit so capably and creatively.

But all vacations must come to an end, and Monday I was back in the office. That evening, I met with a group of church leaders to determine a process for deciding the merit of a ministry residency program at UBC. In a residency program, a church welcomes a recent seminary-trained minister to join the staff for a two-year period. The church offers a stipend, ministry experience, and supervision, while the resident brings skills and talents to the church.

The church members who met to discuss this program and a process for

considering it were Debra Bryant (Deacon Chair), Ed Smith (Church Council Chair), Larry Martin (Finance Chair), Alan Hendricks (Personnel Chair), Brent Wilson, Jack and Jo-Ann Averill, and me.

Following the church’s potluck supper on August 6, the congregation will hear about the potential program, have the chance to ask questions, give input, and learn about the process for deciding whether UBC should create a two-year pilot for such a residency program.

Once we have completed this process, we will then follow a similar process as we consider refining the mission of UBC, which may lead us to develop a second service of worship.

Please pray for God’s leadership as we consider these possibilities. And while we’re praying, let’s not forget our youth and adults who are in West Virginia this week, engaged in missions and learning to be the presence of Christ.

~ Blessings, *Michael*

Congregational Care Team

The newest Circle of Caring Team, Congregational Care, will “go live” September 1. Those in the congregation who have indicated that they would like someone in the church to stay in touch with them on a regular basis have been assigned to members of the Congregational Care Team and should hear from their team member in late August or early September.

This team will also be in touch with visitors and anyone who is absent from the worship service for a few weeks.

If you are not contacted and would like to have a team member stay in touch with you, call the church office. Anyone interested in serving on this team should contact Debra Bryant.

This transition will complete the phase-out of the Deacon Family Ministry.

Classic Hymns of our Faith

We will be singing some of the classic hymns of our faith in the morning worship services in August. I have been collecting favorites from classes and individuals for several months, and we will feature as many of them as we can during the worship services. Do you have a favorite hymn?

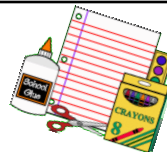

Let me know so that I can put them on my list.
