UNIVERSITY BAPTIST CHURCH

CHARLOTTESVILLE, VA

A Word from Michael

“Be still and know that I am God.”

I have cited that verse many times in the past, often in the context of our need to slow down the rapid pace of our lives in order to leave time and space for God. Well, this past week I had the opportunity to live out that verse after my shoulder surgery. The surgery went well by all accounts, but even so, the doctors told me — and my body reminded me — to take it easy and rest. So for a couple of days after the surgery, I literally had to be still!

It was hard being forced to be still and to do nothing but think. At first, all I could think was “be still and know that I’m falling behind on my emails and church work.” It made me realize that much of my identity is still wrapped up

in my work. By Sunday, however, I slowly came to remember that University Baptist is not solely dependent on me, and that God ultimately is the leader of the church. I’m grateful for church leaders who led so capably during our church conference on Wednesday. I’m grateful for the staff and Rev. Bill Smith for their leadership in worship Sunday. I’m also grateful for the cards, emails and Facebook comments and the prayers for my recovery.

As I’m back in the office this week, I’ll still have to take work slowly. I hope I will continue to carry the lesson that God is ultimately in charge. I’m called to be still and know that God is God.

~Blessings, Michael

Personnel Updates

Our Youth Ministry Coordinator, Phil Woodson, has resigned to pursue the calling he senses to become a music and worship leader. Phil has served our youth and entire congregation with great energy and strong faith. He will continue to serve us over the next month by assisting with transitioning his responsibilities and performing website updates and related tasks. We will recognize Phil for his service during worship later in September.

We are also pleased to announce that Erin Brown has accepted the position of Youth Ministry Coordinator and will begin immediately. Erin will continue to grow the youth program and lead the youth in their spiritual development.

Erin’s biography is posted at <http://universitybaptist.org/2014/09/erin-brown/>

Alma Hunt Offering for Virginia Missions

During September we will be supporting the Alma Hunt Offering for Virginia Missions and the Chaplain Service Prison Ministry of Virginia, Inc. (specifically, Chaplain Julie Perry at the Fluvanna Correctional Center for Women).

The Chaplain Service has changed the lives of thousands of offenders throughout Virginia by distributing Bibles, conducting worship services, providing counseling and coordinating volunteer programs.

The Alma Hunt offering supports ministries in and missionaries from Virginia.

Our 2014 goal is \$4,000, to be divided evenly between these two mission efforts. For more information go to chaplainservice.org/ and vbmb.org/About/Alma-Hunt-Offering.cfm and chaplainservice.org/

Sympathy

Christian sympathy is extended to the family and friends of Doris Standridge following her death Sunday, August 31.

Thank You

I wish to thank all of you for the prayers, cards, PrayerGrams, visits and other acts of kindness as I have been recovering from hip surgery. The mum from the Joyful Servants Class is beautiful! The visits from the pastors were most welcome. I look forward to being back with my church family.

Wednesday Night Prayer Time

Our Prayer Ministry is expanding! On Wednesday evenings, we will have a printed list of prayer requests and a time of group prayer for those on the list. This will take place about 6:00 pm, immediately before the program scheduled for that night.

The list will include names of those who are hospitalized, recovering at home, in rehab facilities, having medical tests done, traveling, out of work, grieving, celebrating, etc.

We will not

- include specific details unless requested to do so by the individual.
- include the names of those who do not want to be on the list.

We will

- include requests from hospital visitors wanting prayer for family/friends.
- include updates for those who are receiving long-term treatment.
- regularly include college students and military personnel who are away at school or on active duty.
- regularly include homebound and residential facility members.
