UNIVERSITY BAPTIST CHURCH

CHARLOTTESVILLE, VA

A Word from Michael

Sunday will be a day of new beginnings at UBC. During worship, we'll have a service of Deacon ordination and installation, as we ordain Erin Brown and Peter Ohlms and install John Buchanan, Elva Ferguson, Larry Johnson, Carolyn Lowry and Barbara Jesser (in absentia) to the office of Deacon. I am so grateful that they have agreed to begin a three-year term of service as spiritual leaders.

In addition, we will officially welcome Will Brown as Ministry Resident. As part of his residency, he will work in all areas of congregational ministry, including regular opportunities to preach. Due to his training at Yale Divinity School and as a chaplain at the UVA Medical Center, Will also brings fresh

and innovative ideas. Let's give Will the freedom to explore new ways of ministry both in the church and in our outreach to the hospital.

Finally, this week marks a transition in our youth ministry as Phil Woodson wraps up his time with us, and Erin Brown begins her service with our youth. How blessed we are to have such capable leadership in both these young people! Phil is now serving as a worship leader at First United Methodist Church in Charlottesville. We wish Phil (and Ellen and Cooper) all the best as he begins a new chapter of ministry! And let's offer our support to Erin as she establishes her own ministry.

~Blessings, Michael

Meet Our New Ministry Resident . . .

Will Brown is our Ministry Resident for 2014-2016. Originally from Gretna, Virginia, Will came to Charlottesville to attend the University of Virginia, where he received a degree in Religious Studies and Music. While at UVA, he was involved in the Baptist Student Union, Jubilate and UBC, where he met his wife, Erin, who was also involved with Jubilate and UBC.

After a short time working in the office at UBC, Will attended Yale Divinity School and earned his Master of Divinity degree. Will and Erin lived for a year in Nazareth, Israel, as Venturers through the Virginia Baptist Mission Board, serving a small Arab Christian seminary before returning to Charlottesville.

After returning to the states, Will completed both a hospital chaplaincy internship and residency at UVA Medical Center.

You will find Will honing his skills in all aspects of pastoral ministry here at UBC. In addition, Will's residency project is to help connect UBC to the UVA Medical Center. We welcome Will Brown to the staff of UBC!

Special thanks to all our UBC family and friends for their prayers for our daughter, Patricia. The power of these prayers was felt as she began to recover from her illness. She has now been able to reschedule her honeymoon.

6:15 Program: “Fresh Expressions: Changing Church for a Changing World”— Travis Collins

“Bon Air Baptist Church, in Richmond, Virginia, has birthed three fresh expressions of church so far. The first was church for the recovery community. The second was church for the international, non-English-speaking community. The third was for the prostitution (yes, you read it right) community. These multiple births allowed Bon Air to reach out and impact people who would never enter their sanctuary on a Sunday morning.”

Persecution of Christians in Iraq

Many thanks to Ambassador Nat Howell for the information he shared with us about the persecution of Christians in Iraq. The video of his presentation can be seen here. The Baptist World Alliance has issued a call for Baptists and other Christians to provide funds to help displaced Iraqi Christians.

Donations for this relief effort may be made to “University Baptist Church” and earmarked for “Iraqi Christians.” All of the money we collect will be sent to the Baptist World Alliance fund for Iraqi Christians.

If you have information for THE WORD, please get it to the Church Office no later than 10:00 am Monday morning to be included in that week's issue.
