A Word from Sarah Wilson

"He who was seated on the throne said, 'I am making everything new!' Then he said, 'Write this down, for these words are trustworthy and true.'" Rev. 21:5

New Beginnings have been on my mind a lot lately. Today marks the beginning of my third month as the Youth Coordinator for UBC. I am amazed by the awesome gifts and talents with which our youth have been blessed. We are exploring how to use these gifts in our faith formation to praise and worship God.

Our youth curriculum this year, 'Sticky Faith,' focuses on creating real and lasting faith that sticks with teenagers after they leave high school and as they begin their lives in the adult world. This research-based program, developed by the Fuller Youth Institute, has found that youth involvement in worship is more strongly linked with a mature faith development than any other form of church participation.

This Sunday, the UBC youth will be leading the worship service. This inter-

generational church service is an opportunity for the youth to share their faith with the congregation. By encouraging them to take responsibility for the entire service, we are pushing them to grow and share their faith with the wider church.

The theme for the worship service is "New Beginnings." The text from Revelation 21:1-6a beautifully captures the transformative and amazing power of God. It captures the hope and joy that comes along with faith in God. The members of our youth group strongly and passionately feel God's power and joyfully celebrate in His wisdom and power. They have picked songs and music that reflect their faith journey and enthusiasm for spreading the Good News. They have bared their souls in song, art, prayer, readings, and words. This Sunday the youth will be sharing these heartfelt praises and prayers with you during the worship service. I hope you are as touched by their genuine love of God as I am each week.

— Sarah

**Chrismons — Make Just One
 (or more, if you like!)**

Our Chrismons are looking worn and tired. With Christmas approaching (faster than you think), we need to make some new ones. We're asking each crafty person at UBC to make just one Chrismon — then we'll have dozens of new ones to help us celebrate this year.

Each Chrismon should be **only white and gold and 6x6 inches or smaller**. You can use whatever materials you love to work with — wood, paint, clay, cross-stitch, felt, fabric, beads (NO STYROFOAM). There are lots of ideas on the internet and a few patterns, guidelines, and white beads in the Floral Room.

Chrismons should be completed by December 1. Contact Sarah Buchanan for more information (434-409-9064 or sarahbucha@gmail.com).

Pray for our church as we seek God's guidance for the future.
