Thank you!

Jubilate, Barbara Moore, Anne Keith, Robby Gough, Pam Beasley, and I want to say a very special Thank You to University Baptist Church for your support of Jubilate for 43 years, and especially this year as we worked toward our tour to Memphis and St. Louis. We desire to always be honoring Jesus through our music, and this year we hope that our music would be comfort to children and families at St. Jude Children's Hospital. I am so very proud of this group, their sound and their interaction with each other and with those who came to hear us sing.

I cannot thank you enough for your vision and continued support of Jubilate. I pray that this very worthwhile ministry to college students will continue for a long time!!
