## A Note from Will

As part of my Ministry Residency program, I will be planning our Sunday worship services during the month of July. There will be a few changes to our liturgy from week to week, as I attempt to craft an effective liturgy for the worship theme. Recognizing that each person's worship preferences and experiences are different, I would love to hear your feedback about which of these worship elements facilitate worship for you and which may detract. If we try something you don't find helpful (or something you love), please let me know. I appreciate your input!

## WMU School Supplies Project

It's not too late to support the WMU School Supplies Project by making a monetary donation. We will purchase the supplies from a list given to us by the family support worker at Woodbrook Elementary School for the low-income children there.

You can make checks payable to UBC and earmark them for "School Supplies."

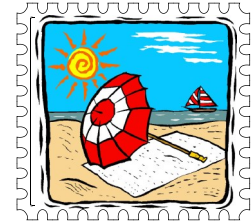

### Did you know?

- Between 50% and 60% of the children at Woodbrook Elementary School are on free or reduced-price lunch.
- This money helps purchase school supplies all during the year for these children.
- This money also helps with shoes, emergency clothing, hygiene needs, and healthy snacks for these same children during the school year.
