## Senior Minister Search Committee’s Next Major Step

Within the next two weeks, the Senior Minister Search Committee will have culled through its present search efforts to develop a great group of candidates.

The Committee will conduct in-depth reviews of these ministers' resumes: their pastoral experience, education and training, and references. This will be a

thorough review, conducted in as timely a manner as possible.

The committee asks for your continuing prayers for its work. As always, please contact any Committee member to express your thoughts, desires, concerns, or questions. Their contact information is listed in the 2016 Church Directory.
