UNIVERSITY BAPTIST CHURCH

CHARLOTTESVILLE, VA

Let Us Be Your Ministers!

From time to time, your ministerial staff learn after the fact of our members' hospitalizations or other personal emergencies. Sometimes families are uncertain about their loved one's status (Being admitted? Not being admitted? Overnight stay only?), or they simply prefer privacy. But often we hear that a member "doesn't want to be a bother," and we don't know about the need until word comes across the church grapevine.

Our ministry to you is no bother! We want to be available in whatever ways may be helpful for you. Please call the

Church Office, and let us know. A visit, a prayer, a note from us to you, a phone call, a contact with one of our Circle of Caring teams—these are different *levels of care* we'd like to provide for all of our church family.

Your need can be shared with the congregation or held in confidence by the ministerial staff. In either case, please let us be your ministers.
