A Word from Michael

What a wonderful church picnic we had last Sunday! The rain stopped just long enough for us to enjoy good food and company. Congratulations to Christian Proffitt and Bob Badgett for winning the egg toss this year! Many thanks to Forrest and Donna Marshall for hosting us, and to the Hospitality Committee for organizing this chance to get to know one another better.

Another way we can get to know each other better is by sharing our stories. Starting soon, the church staff would like to post pictures and short biogra-

phies of various members of UBC. You may receive a call from the office to submit a biography and we will post your pictorial directory picture on the first-floor bulletin board.

Speaking of our pictorial directory, our office is still working hard to update the records in our database. We’re deleting over 1000 outdated records and we hope to complete this project during these summer months. We’ll keep you posted. Thanks for your patience!

In Christ, *Michael*

Newly Formed Funeral Reception Team

A newly formed reception team will organize and prepare funeral receptions when requested by the family. Team members will strive to assist the family at a difficult time by providing a nice gathering after the funeral. While individuals in this group are willing to give their time and talents to fill this need, they will also be depending on church members to provide food and assistance. We welcome your suggestions for this new ministry in our church.

The WMU is collecting monetary donations and will shop for the best deals on the specific school supplies that the Family Support Workers at Woodbrook indicate are needed. Make your check out to UBC and designate it for School Supplies Project. This project is coordinated by Love INC between local churches and schools.
