## THE UBC SUMMER CHOIR

PRESENTS

## A PROGRAM OF PSALMS, HYMNS AND SPIRITUAL SONGS

SUNDAY, JULY 7, 11:00 A.M.

This Sunday morning, we will be led in worship through the use of Psalms, Hymns, and Spiritual Songs.

The Book of Psalms, also referred to as the Psalter, is a collection of 150 poems and prayers. We know almost nothing of the circumstances in which the psalms were written. David is the most named author, but most are anonymous. Superscriptions (or headings) in many of the Psalms provide musical references and some direction, in some cases even references to melodies that, anciently, would have been well-known; however, no musical notation has survived.

A hymn is a type of song, usually religious, specifically written for the purpose of praise, adoration or prayer, and typically addressed to a deity or deities, or to a prominent figure or personification. The word *hymn* derives from Greek ὕμνος (*hymnos*), which means "a song of praise." The roots of Christian hymnody has the Psalms as its basis for texts. Leaders of the reformation, John Wycliffe, Jan Hus, Martin Luther, John Calvin, were all prolific hymn writers. They wrote hymns of testimony and hymns that teach particular tenets of the Christian faith.

The Spirituals are a purely American form of music – they are the earnest prayers and pleas of the slaves who, taken from their homeland and forced into servitude at the hands of cruel task masters, found a faith and kinship with Christ – forsaken by his own, misunderstood and mistreated. The stories of the Old and New Testaments were wells of inspiration and hope for a people who found little of either in their daily lives. But their songs live on, and inspire us to overcome our spiritual, social and political turmoil, and to get on board the gospel train bound for heaven!

*"<sup>16</sup> Let the message of Christ dwell among you richly as you teach and admonish one another with all wisdom through psalms, hymns, and songs from the Spirit, singing to God with gratitude in your hearts." Colossians 3:16*

## A Word from Michael

Last Thursday and Friday, Bob and Patti Badgett, Anne Keith, Lu Overbeck, Tom Leland and I attended the CBF General Assembly in Greensboro, NC. Over 2,300 registered attendees unanimously approved the new organizational and governance structure, and we formally welcomed Suzii Paynter as the new CBF Executive Director. It was very encouraging to be at a place where old and new friends were so glad to see each other, where diverse people assumed leadership roles and where a spirit of love and joy filled the air. I'm glad that UBC is a part of the CBF. Exciting days are ahead!
