Search Committee Report

We have begun to gather materials to use for small group discussions and are scheduling times to talk with staff and lay leadership to get their insights about how a new person would ideally help the church move in the way God intends. These discussions and conversations will help us to better understand how the current initiatives may impact the work of the Search Committee.

We are dedicated to pursuing this important decision in a prayerful and spiritually responsible way; we are excited about the opportunities that lie before us. Thank you for your prayers and support, and we appreciate the encouragement you have offered.

NOTE: The Word will not be published the week of November 16. We will send out a church-wide email with time-sensitive announcements and place copies of the email in the Sunday School rooms.

A Word From Michael

In my sermon last Sunday, I referenced a quote by William Temple, former Archbishop of Canterbury, who said, “The church is the only institution that exists primarily for the benefit of those who are *not* its members.” It reminds me of Jesus’ teaching to his disciples: “For the Son of Man did not come to be served, but to serve” (Mark 10:45).

In this issue of *The Word*, you’ll see how we are trying to live out the Archbishop’s quote and the teaching of Jesus. This past weekend, our Youth and Young Families participated in a Rake-a-thon, serving our neighbors who are not our members. You will also find options for serving others this month through the mission opportunities lined up by our WMU (Woman’s Missionary Union).

Even as we consider ways to serve those who are not our members, we do not neglect our members. Last Sunday, our Deacons hosted a wonderful Harvest Luncheon that served over 120 members and their guests. In this issue, you’ll also find descriptions and members of all our Deacon-led Circle of Caring teams that seek to serve both members and non-members alike.

During our stewardship season, we are reminded that offering our service is another way that we can be good stewards of God’s gifts, so that we may live into God’s plan that gives us hope and a future.

~ Blessings, *Michael*

Hope and a Future Stewardship 2016

COMMITMENT SUNDAY

God has called University Baptist Church to minister to the University Community and to the residents of the Greater Charlottesville-Albemarle Community serving as agents of Christ’s love and justice for those in need and offering a vital family of faith.

Twelve members of our Youth and Young Families participated in the Habitat for Humanity Rake-a-thon this past Saturday. They helped rake two yards (in the rain!) to support building affordable and sustainable housing in Charlottesville.
