Thank You

Thank you so much for allowing us to stay in your church for two nights as we bike to San Francisco. We visited the Emily Couric Cancer Center and delivered chemo-care bags to some of the patients. We had a really good time in Charlottesville. Thank you again for your generosity and kindness.

WMU School Supplies Project

The WMU is collecting money to purchase school supplies for the low-income children at Woodbrook Elementary School. This project is coordinated by Love INC in cooperation with city and county schools' Family Support Workers. You can make checks payable to UBC and earmark them for "School Supplies."

"Students on free or reduced-price lunch make up between 50 and 60% of [the Woodbrook School] population. This is an upward trend and higher than the average for Albemarle County.

This comes as a shock to lots of people, because Woodbrook doesn't look or feel like a high-needs school. I attribute this to a top-notch staff, active PTO, and the many resources (such as school supplies!) that are generously donated to our school.

More than any other school I've worked in, kids here love coming to school every day because they get what they need, not just academically but physically, socially, and emotionally."
