Music at University Baptist Church

Beginning this Sunday (January 26), we are offering a Sunday Morning Sanctuary Choir Rehearsal. We will begin at 9:15 and rehearse for 1 hour. The plan is to work on the service music for the day of the rehearsal and the following Sunday. We are offering this to people who would like to sing in the choir but cannot attend rehearsals on Wednesday nights. This can also give choir members who have to miss some Wednesday night rehearsals a chance to catch up on the anthems. This will not replace the Wednesday night rehearsals, but will give people an alternative to the Wednesday night rehearsal format. If you know of someone who has sung in our choir or any choir in the past, and cannot be in rehearsal on Wednesday nights, please let them know about this alternative.

We are planning our Summer Choir program for Sunday, June 28. This will be an exciting and fun program featuring the music of John Rutter and Benjamin Britten. Rehearsals for the program officially begins the Wednesday after Easter (April 22). This is open to anyone who wants to be a part of singing this beautiful music.

Last Wednesday night, Larry Martin presented a helpful overview of the church's financial situation. While there are challenges we face, we are fortunate to have a strong financial foundation that positions us well to undertake the ambitious endeavor of establishing collegiate

CBF Youth Summit -- Thank You!

Thank you to everyone who helped with last weekend's Youth Summit. This successful weekend deepened the faith of over 250 teenagers and challenged them to engage issues of justice in their communities. Speakers

and breakout sessions engaged such issues as homelessness, refugees, racism, and various ways that we can share God's love those who have become "outcasts."

A special thank you to Alan Hendricks for logistical coordination and to Larry Johnson for preparing over a thousand meals, along with the dedicated volunteers who helped cook and serve.

Also, be listening and looking for opportunities to volunteer to help with laundry, stay overnight, set up and take down cots, and pick up linens from the Haven. This ministry takes many hours and many hands. Thank you for your support!

Looking for a housing space for Sam's Corvette

Debra is looking for a place to park Sam Mackey's car under cover for an indefinite period of time. If you have a garage or barn etc. with unused space and would be willing to house Sam's 1976 Corvette, please contact Debra Bryant, debra.l.bryant@gmail.com.

The car will need to be driven periodically to keep it in good repair, so access is needed.
