While you are here:

- **Email our student minister, Val Fisk, before your first time here!** Val will notify you via email of any schedule changes or if we have a COVID exposure in the building. [vfisk@universitybaptist.org]
- Please wear a mask as you move around the building and shared spaces.
- Feel free to study in any unlocked room. You can remove your mask while you are alone in your room, or if you are in a room with your COVID pod.
- Look for the white sandwich board near the office doors for entry. Wheelchair access is located on the back of the building near 12 1/2 St. (push the buzzer).
- Parking is limited! Please only use the front parking lot before 5 PM (except for handicap parking). **All vehicles will need to display a yellow UBC parking pass** on their dashboard - church staff and volunteers will have these for you.
- Snacks, beverages, and the coffee pot are located in our ****newly renovated**** college Sunday school room on the ground floor. We will also keep a rotation of Disney movies playing in this room all week! **Take a break. Sing along. Have a dance party while you eat an ice cream sandwich.**
