

Welcome to University Baptist Church and A Quiet Place to Study! We are so happy to provide space for students to study for finals. You are welcome and wanted here, exactly as you are.

If you need a listening ear to chat with while you take a mental break from your studies, or want to pray with someone, feel free to wander up to the offices on the first floor and say hi! Our Student Minister, Rev. Val Fisk, would love to meet you. You can also email her any questions you have about AQPTS at vfisk@universitybaptist.org.

Please keep in mind the following guidelines as you join us for Fall Semester 2021 study hours.

Before arriving:

- If you are feeling any symptoms related to COVID-19, please help us protect all our students, guests, and church members by staying home.
- **If this is your first time coming to study at UBC, please email Val to let her know you are coming,** and she will be happy to show you around! (vfisk@universitybaptist.org)
- You are welcome to use any room you like – they're all first come, first serve. The heat is turned up in the rooms on the ground floor and first floor all week, but you are welcome to wander up to the second or third floor and pick a room there as well. Come find Rev. Val or a volunteer if you need help figuring out how to turn up the temperature in any room.

When you are here:

- Please enter via the first floor office doors by the front parking lot. Volunteers are present to let you in from 1-9 PM each weekday. If you arrive in the morning hours, press the call button and a staff member will buzz you in – just tell us that you're here to study!
 - If you need to park in our lot, *park in the front lot if possible*, and grab a yellow parking pass off the front entrance table (1st floor) or from the coffee table in the collegiate room (ground floor). Place the pass on your dashboard.
 - If you need it, handicap accessible parking & doors are located in the back parking lot (opposite end from The Graduate Hotel – look for the handicap entrance sign). You must call 434-293-5106 (church office) or 331-262-7851 (Rev. Val's cell) for entry in this door, due to the call box and buzzer not working at this time.
- Please wear a mask any time you are in the shared building areas (hallways, bathrooms, kitchen, etc.). If you need a mask, we have disposable masks available in the foyer on the first floor. Feel free to grab one!
- Once you have found a spot to settle in, you are welcome to remove your mask while in that personal study space. Please respect any shared rooms by keeping a mask on.
- Use headphones for your Zoom calls and listening to music. Respect other students by keeping noise levels low.
- Snacks and beverages can be found in the Collegiate Ministry room on the ground floor of the church, including homemade cookies, a Keurig coffee maker, packets of cider and cocoa, tea, etc. Cold drinks and coffee creamer are in the mini fridge in this room.
